

# Friday Flyer!

## Dear Walter Families,

I would like to apologise for my absence this week; I have unfortunately damaged my knees resulting in me needing to reduce my time at school. Oh the perils of getting old!

I would like to say a big thank you to my wonderful team of colleagues, ably led by Mrs Prickett, who were not only very supportive of my ailments but also ensured that everything ran smoothly for your children.

I am very honoured to work with such a committed team of adults who always put the needs of the children first; they really are the 'best they can be'!

## Little Princess Trust

Well done Jessica; you did it. We are all so proud of you. Now, thanks to Jessica's amazing generosity a poorly little girl who has lost her hair will receive a beautiful wig made from Jessica's hair. We collected another £20+ on Monday which we will donate to the Just Giving Page. Jessica said that her head feels a lot lighter!

If you would still like to donate please follow this

## Safeguarding

I would like to request that parents collecting their children from Energy Kidz After School Club do not come into school after the school day has ended. If something has been forgotten it will have to wait until the next day. Thank you.

## PE Kits in Year 1 and Year 2

Please can you ensure that your Year 1 and Year 2 children have a PE Kit in school every day? During the winter months this needs to include jogging bottoms and a sweatshirt and suitable outdoor shoes all of which need to be labelled with your child's name. Thank you.

## Stars of the Week

Here are our wonderful stars of the week; I was delighted to have so many children receiving their certificates for working so hard in their lessons. Sadly Imogen was not in school today so she will be able to collect her certificate on Monday!

## School Council Elections

Today we announced the results of our school council elections; we are very proud of the children who have been elected as we know they will be excellent representatives for their classes. Well done all of you!

## V Tech Watches in School

Please can I request that V Tech Watches do not come into school; we have become aware that these can be used to take photographs and to make recordings. This is not suitable activity for school and goes against all of our safeguarding regulations. If a child comes into school wearing one of these watches we will look after it during the school day and return it to an adult. If you would like your child to wear a watch, they would benefit from a simple analogue watch that will help them learn to tell the time. Thank you for your understanding with this matter.

**And finally....**

If you have any concerns that you might need help with please remember that you can contact me on [head@walter.wokingham.sch.uk](mailto:head@walter.wokingham.sch.uk) at any time. Have a wonderful weekend.
