

Maths Homework - 3D Shapes

The children need to know the following 3D shapes and their properties.

 <p>Sphere 1 curved face 0 edges, 0 vertices</p>	 <p>Cube 6 faces 12 edges, 8 vertices</p>
 <p>Cuboid 6 faces 12 edges, 8 vertices</p>	 <p>Cylinder 3 faces 2 edges, 0 vertices</p>
 <p>Square based pyramid 5 faces 8 edges, 5 vertices</p>	 <p>Cone 2 faces 1 edge, 1 point</p>
