

Walter Infant School and Nursery - Spelling Homework

This homework is provided so your child can practise their spellings at home. The words are linked to our phonics work in school. This sheet does not need to be returned to school. The words in **bold** are common exception words and you will need to take extra care with these.

tune	use	June	little
cube	flute	volume	what

Look at the spellings above. Write the words in the table below, in a different colour. We expect the children to learn these words but we will not be formally testing them.

tune	use	June	little
cube	flute	volume	what

In Maths, we have been learning about length and height.

We have been learning to describe and compare length using the language of longer/longest and shorter/shortest. We also looked at height where we use the language of tall/tallest and shorter/shortest.
