

Foundation Stage 1 – Summer 1 Curriculum Intent Journeys

Walter Values

Respect	To show respect when exploring different places.
Empathy	To show empathy towards my friends.
Kindness	To show kindness to our friends and family.
Honesty	To show honesty when talking about how to be a good friend.
Resilience	To demonstrate resilience when mark-making.

Intended Additional Literacy Coverage

Non-fiction texts

Texts linked to different types of transport

Drawing favourite transport and giving meaning to marks

Recalling marks and using a wider range of vocabulary

We're Going on a Bear Hunt

Retelling the story using story spoons alongside actions and movements

Creating a story map – what did they come across next? (grass/ river/ mud etc)

You can't take an Elephant on the Bus

Exploring rhyming pairs throughout the story

Learning facts about people who help us within the community (visitors)

Intended Additional Mathematics Coverage

Recapping numbers 0-10

- Counting in rote
- Finding a specific number of objects
- Identifying how many objects there are in a set
- Looking at numbers in our environment and saying the number name
 - Representing numerals using marks on paper and our fingers
 - Matching numeral to quantity
 - Comparing quantities using mathematical language (more / less)

Exploring 2d and 3d shapes and using mathematical language to describe them

Combining shapes to make new ones

Describing relevant positions (e.g. 'next to' / 'behind')

Describing a familiar route

PSRHE and RE

Jigsaw PSRHE Discovery RE Relationships **Stories** I can tell you about my family. What can we learn from stories? I understand how to make friends if I feel lonely. (Christianity, Islam, Hinduism, Sikhism) I can tell you some of the things I like about my friends. I know what to say and do if someone is mean to me. I can use Calm Me to manage my feelings. I can work together and enjoy being with my friends.

Area of Learning Key

Literacy	Maths + - × ÷	RE	PSED
Understanding the World	Physical Development	Communication and Language	Expressive Arts & Design
	3.		

Subject Connectors

Subject	Connector
	As investigators we are exploring different places.
7.	As athletes we are moving in a variety of different ways.
*	As part of a school community we are exploring friendships.
\$\frac{\phi^{\mathcal{C}}_{\mathcal{B}}}{\pi^{\mathcal{B}}}	As enquirers we are listening to different religious stories.
	As artists we are using different media to give meanings to the marks we make and to capture our experiences.
	As enquirers we are using the internet to find out more information.

Skills and Knowledge

Subject	Skills and Knowledge	Curriculum Coverage
Expressive Arts and Design	 Listening and performing I can listen respectfully to a story I can think about different sounds I might hear I can join in with actions and sounds I can retell a story using actions and sounds I can listen to a range of high-quality recorded music and move in time to it (Teddy Bear's picnic song) I can perform to an audience (as part of a group within class) 	7.
Physical Development	 Moving with co-ordination I can balance I can throw with increasing accuracy I am beginning to dribble a ball with increasing control I can climb apparatus with increasing independence I can move safely 	7.00
Understanding of the World	Learning about different environments I can comment on what I see I am beginning to make comparisons (different places in the story e.g. river, forest) I can talk about familiar places	
Expressive Arts and Design	Creating representations based on experiences (different modes of transport) I can select the resources I need I can talk about what I have made I can say what I have used to make my picture/model	₹
Physical Development	 Mark making I can hold my pencil in a tripod grip I can give meaning to the marks I make I can form some of the letters of my name correctly I can form some further letters correctly
