

### Multiples of 2 Counting Pattern

The children need to learn the 2s counting pattern. They need to be able to count forwards and backwards in twos. They also need to say what comes next in a sequence, for example 6, 8, 10, ? or 18, 16, 14, ?

Forwards

**0 2 4 6 8 10 12 14 16 18 20**

Backwards

**20 18 16 14 12 10 8 6 4 2 0**
