

Which Counting Pattern?

Look at the numbers below. Which counting pattern are they in?
They might be in more than one counting pattern!

a) **4** 2s counting pattern
 5s counting
 3s counting pattern

b) **12** 2s counting pattern
 10s counting pattern
 3s counting pattern

c) **22** 2s counting pattern
 10s counting pattern
 3s counting pattern

d) **15** 2s counting pattern
 10s counting pattern
 5s counting pattern

e) **21** 2s counting pattern
 5s counting pattern
 3s counting pattern

f) **30** 5s counting pattern
 10s counting pattern
 3s counting pattern

g) **8** 5s counting pattern
 2s counting pattern
 3s counting pattern

h) **50** 2s counting pattern
 5s counting pattern
 10s counting pattern

i) **25** 2s counting pattern
 3s counting pattern
 5s counting pattern

j) **18** 2s counting pattern
 10s counting pattern
 3s counting pattern

k) **24** 2s counting pattern
 10s counting pattern
 3s counting pattern

l) **35** 2s counting pattern
 10s counting pattern
 3s counting pattern
