Africa

A large, colorful bulletin board with a red background and green wavy borders. It features a central cutout of a zebra's head with a green ribbon around its neck. The board is decorated with various elements:

- Text:** "Greedy Zebra" in large green letters at the bottom center. Other words include "fat", "juicy", "Dusty", "Beautiful", "Dull", and "quicky".
- Images:** Several small drawings of African animals and landscapes, including giraffes, zebras, and ostriches, some with labels like "Mama" and "Humbie".
- Handwritten Notes:** Multiple sheets of paper with text, including a section titled "Traditional Tales" which reads: "We have been making African sunsets by mixing red and yellow paints to create an African sunset. Then we carefully cut out silhouettes of African animals to bring the savanna to life." Another note says: "We also thought of clever adjectives and adverbs to include in our recount of 'The Greedy Zebra'. We applied spellings rules to verbs."
- Decorations:** A row of colorful African patterned paper strips at the top right, and a small electrical switch panel at the bottom center.

Chinese New Year

"We want children to be able to learn about their own heritage as part of their education," said Judy.

"This week, for example, they're celebrating Lunar New Year by learning a Dragon Dance."
