

Walter Infant School and Nursery - Spelling Homework

This homework is provided so your child can practise their spellings at home. Please offer as much help as they need. The words are linked to our phonics work in school. This sheet does not need to be returned to school.

For this task, you will need some different coloured pencils or pens. Write the words in the table below, but each letter has to be a different colour. Like this: c o l o u r

chair	stairs	manure	secure

mature	have	there	out
